By Carole Nelson Douglas

1 jigger of white Crème de Cocoa
1 jigger of vanilla Stolichnaya
1 jigger of Lady Godiva white
chocolate liqueur
Chambord raspberry liqueur
[Other brands may be substituted.]

Layer the liqueurs and vodka in a martini glass in this order: Crème de Cocoa, vanilla vodka, finally the white chocolate liqueur. Drop in a dollop of the Chambord. Don't mix or stir. The Chambord will sink to the bottom, so the white cocktail has a blood-red base (which adds a nice kick at the end.)
